February 9, 2011

Dear Parents/Guardians,

The National Water Commission advises that they will be working along with the National Works Agency to correct a longstanding problem with blocked sewage pipes along North Street. This is scheduled to begin on Saturday, February 12, 2011 and end on Monday, February 21, 2011.

This is to advise that during the period with possible extensions, traffic will be barred access to sections of North Street. This may affect access to the North Street entrance the campus, forcing parents to use the Emmet Park Gate.

Yours truly,
St. George's College

Margaret Campbell (Mrs.)
Principal
